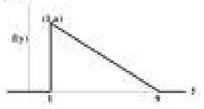
PROBABILITY DENSITY FUNCTIONS

1. A tele-sales company are monitoring the length of time a sales call takes. They decide to model the length of a call (in minutes) as a continuous random variable Y, with probability density function shown below.



a) Find the value of the constant a

[2]

b) Find, using this model, the probability a call takes more than 6 minutes

[4]

c) Give **two** reasons this model is unlikely to be realistic and sketch an improved model

[4]

---

2. A continuous random variable X has probability density function f(x), as defined below:

$$f(x) = \begin{cases} k & 2 \le x \le 5 \\ 0 & \text{otherwise} \end{cases}$$

a) State the name of the distribution of X

[1]

b) State the mean of X

[1]

c) Find P(X>4 | X>3)

9 | Applying Pythagoras and circle theorems Author: Ben CooperThis is a tricky trapezium circle question, a Geometry A question about finding the area of a circle which has a trapezium draw inside it, with some hints in case students get stuck.Brings in pythagoras, cosine rule, trig and circle theorems.Download this resource here. 3 | Three-part lesson Author: Manoj MistryThree-part lesson with grade A questions. The worksheets have example questions on each topic, including answers. 4 | Four PowerPoint lessons Author: Owen134866This resource contains material for four lessons on the GCSE circle theorems topics.Each lesson has a PowerPoint including explanations, proofs, starters and plenaries. 5 | Codebreaker Author: Andy LutwycheThe mandatory terrible joke whose punchline is revealed by answering some questions involving circle theorems.Useful as a starter or plenary.Download this resource here. 1 | Fill in the blanks Author: Andy LutwycheThese sheets contain sketches of circle theorems and blanks for the students to fill in in their own words.They can then use the notes in a future lesson to fill in the blanks on the ¢ÃÂÂFill In The Blanks¢ÃÂÂ sheet.The idea was to save them drawing poor sketches in their books and to write the rules in their own words.Download this resource here. Starter includes questions to recap and consolidate previous learning in accordance with the route map (scheme of work) I have uploaded.Download this resource here. Download this resource here. Including a PowerPoint, worksheet and assessment.Download this resource here. 6 | Lesson, worksheets and assessment Author: Dr Frost MathsCovers all aspects of most GCSE specifications. 11 | Circle theorems and logos worksheets Author: Andy LutwycheGo through the circle theorems with your class then get them to use their newly found knowledge when calculating the missing angles on these logos for the embroidery machine.Download this resource here. 5.
